

Entrepreneurship Capstone

First Day
Tuesday, January 5, 2010

- *Guys and gals creating new companies;*
 - *Brave soul... birthing new products and services within old companies;*
 - *Ambitious leaders that scale-up smaller companies;*
 - *And Adventurers who want to work for them!*
- Paraphrased from Guy Kawasaki in [Art of the Start](#)

Congratulations!

The University of Washington Bothell and its Center for Student Entrepreneurship salute the companies launched by its students and alumni.

The students and alumni dreamed, worked, and made it happen. Their real business plans resulted in real companies.
